Cruelty-free

Everyday Shampoo

A pH-balanced, humectant and emollient shampoo which leaves your pet looking, smelling and feeling good without drying the skin. The fragrance lasts days.

INGREDIENTS
Purified water, range of mild plant based cleansers, plant derived glycerol as hydrating agents, natural blend of floral fragrance, preservative.

Apple Crème Conditioner

Specially selected plant-derived ingredients to hydrate the skin and coat. It leaves a refreshing crisp green apple fragrance lasting for days.

INGREDIENTS
Purified water, range of mild plant based cleansers and conditioners, plant derived glycerol as hydrating agent, natural blend of apple fragrance, preservative.

Disinfectant Concentrate

Broad spectrum bacteriacidal, algacidal and fungicidal cleaner with a powerful detergent activity. It combines economy, high microbiological efficiency, effective cleaning and a pleasant and lasting fragrance.

ACTIVE INGREDIENTS
Benzalkonium chloride.....0.77%

OTHER INGREDIENTS
Purified water, plant derived cleanser and emulsifier, biodegradable antimicrobial agents and preservatives, natural blend of mint fragrance.
